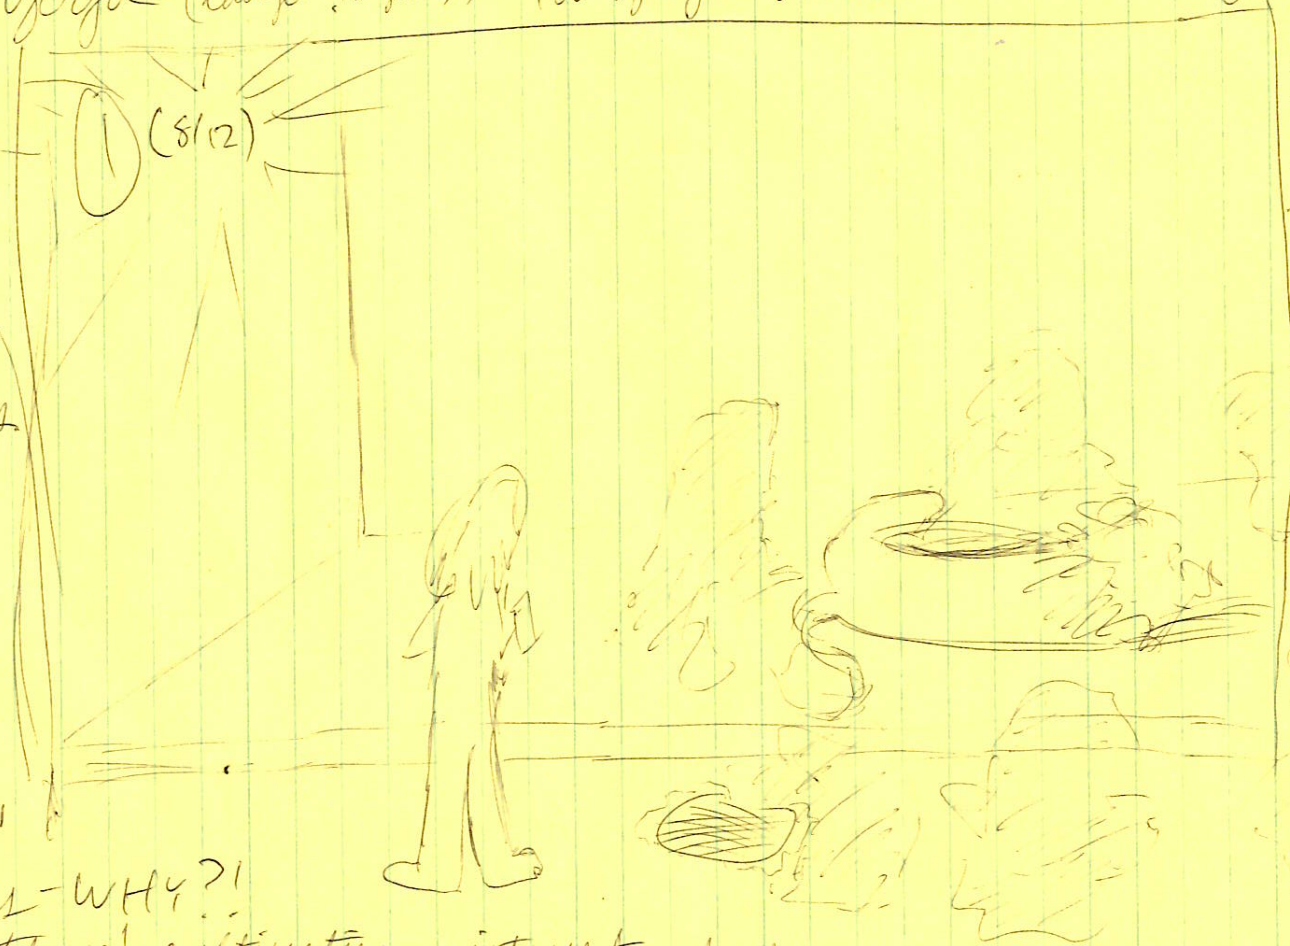
you wanna tell me what happened eg... * cuts * no - I don't trust you
Humans are selfish, I want back to the forest. - well I can't do that do you wan
why you did what you did?
(4) I did it to communicate - I feel pain too

so you think you know about CBT? I think I know as much as I need before I
in here. My dads a doctor, my uncle a psychiatrist, other chiropract
Nana dance & yoga - (lawyer forgot that) You guys don't care - nobody cares
and I don't know why & none of them care about family!



they all a too b to c
- well th your th (how is psych

seeing things, hearing voices? (unconscious!)
2/6 senses ;) 1) & no words
any medication?
Books - Dream Counters, The Russians, Escape from terror, Apalachee gold, Happy Deathday
- who gave those to you
the Tail - scared ~~scary~~ not gold
- I know you might be scared of Death Day but you can't judge book by title - I didn't say it scared me...
Uncle Nazi figures - WHY?!
This jail like those! cultivating mistrust, deals w/ DA. games the guards play - rep. reading "Stanford prison exp."
I need to read & write it helps. & I need to know OUR history so I can kno
how he got to this fucked up place...

* peeing as they open door fuck another pi
violation? * nah I'm good phew!
